Please note:

The Zieher cutting boards are oiled. The use naturally wears down their surfaces. In case of smaller abrasions, rub down the surface with a thin layer of vegetable oil or special care oil for wood kitchen countertops to refresh the surface. The above mentioned items are not dishwasher-safe. Please check the enclosed leaflet for detailed instructions.

Handblown cloches

Each cloche on this page is handblown and handcrafted. In contrast to the cloches made of borosilicate glass (page 117), these items are made of a single massive glass drop. Air inclusions and minor streaks are a sign of individuality and cannot always be avoided.

Borosilicate glass cloches

Cloches made of borosilicate glass are heat resistant, dishwasher-safe and very easy to handle. The main features of this material are a great resistance against heat and changes in temperature as well as a high breaking strength. Each item is manufactured by hand and therefore shaped individually.
