 We recommend the use of large plates on the lower level only

The etagere with three tiers, made of hammered and highly polished stainless steel, forms an extravagant basis for many sorts of plates and platters. The supporting rings with a diameter of 15 cm offer the possibility to insert not only plates and platters, but alternatively also bowls. Black silicone rings keep inserted porcelain in position and prevent annoying noise.

A very special aesthetic setup can be arranged by using a combination of several etageres along with the biggest plates of the “DressCoat” series (page 162). Numerous presentation areas on a total of four different levels can be created by placing additional plates directly on the table. The diameter of 22 cm is well suited to put different pralines, petit fours and other creations of confectionery into the limelight in an impressive way.
